AMERICAN SOCIETY FOR CELL BIOLOGY

Harmon C. McAllister, Ph.D.  
Research Director  
The Council For Tobacco Research  
900 Third Avenue  
New York, NY 10022

Dear Dr. McAllister:

We are pleased to acknowledge and accept with thanks the checks from The Council For Tobacco Research - U.S.A. in the amount of \$1,000 in support of the FASEB Summer Research Conference on "Ubiquitin and Protein Degradation," June 9 - 14, 1991, and \$1,000 in support of "Lymphocytes & Antibodies," June 23-28, 1991. The Federation and the scientists who comprise it are appreciative of your interest in assisting us to improve scientific communication. The funds will be used by the respective chairpersons of the conferences, Dr. Alfred Goldberg and Dr. David Parker, to defray the travel and registration expenses for some of their speakers.

We extend an invitation to the scientists of your organization who are interested in attending any of the FASEB Summer Research Conferences. In 1991 there will again be eighteen conferences held under our auspices - ten in Saxtons River, Vermont, and eight at our second site in Copper Mountain, Colorado.

Please express to the appropriate officials our thanks and appreciation for your generous support of this conference.

Sincerely,

  
Jackie Spangler  
Conference Coordinator
